

Air Boy® Classic

Robust and impact resistant, infinitely adjustable, leak free

Blowgun with 300mm bent pipe, ø8mm

The Air Boy ergonomic design is a classic in itself. We use the compressed air to ease the activation of the handle making it easy, precise and simple to operate.

The Air Boy® Classic is produced in an impact-resistant acetal plastic (POM)

The durability of our blowguns is top notch - even after 28 million operations. Therefore, we are also proud to offer you a 25 year warranty on the valve system in your Air Boy® blowgun!

| Materials | | Specifications | | | Directives | | | |
|--|-----------------------|----------------|--|--|-------------|----------|----------------------------|--------|
| Handle and trigger | Acetal plastic | P | Max 16 bar | | 2003/10/CI | = | Max 85 dB | OK |
