

Air Boy Cleaning Gun

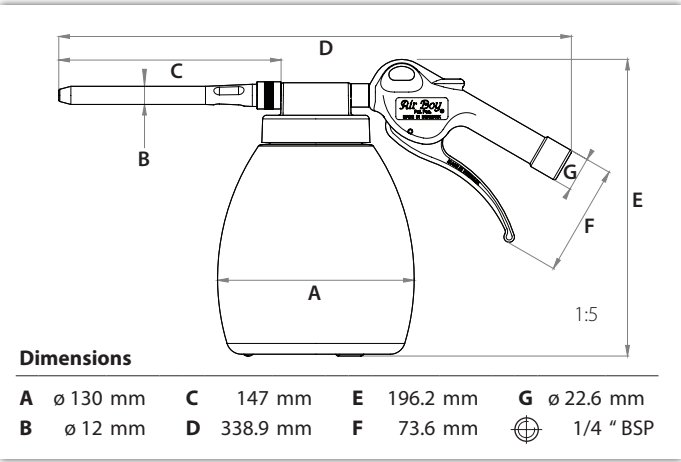

Effective degreasing, washing and shampooing.

Air Boy Cleaning gun is a powerful and efficient cleaning gun suitable for most kinds of cleaning agents. Air Boy Cleaning gun is ideal for degreasing, cleaning and detergent coating purposes, even where aggressive chemicals are used.

Air Boy Cleaning gun is primarily made from synthetic materials and therefore resistant to most chemicals.

The nozzle is easy to adjust as to spreading of the liquid. The adjustment takes place at the counter nut and thereby you avoid contact with the liquid.

Air Boy Cleaning gun is designed to assist you in the best possible way on a daily basis. Therefore, Air Boy Cleaning gun is user-friendly and easy to operate – the liquid flow is infinitely adjustable and easily regulated using the trigger. We use the compressed air to ease the activating of the handle making it easy, accurate and simple to operate. All other materials are impact and corrosion resistant.
