

# PT-110 PRO-TORCH™ Lite

Butane Powered  
Child Resistant Automatic Ignition System

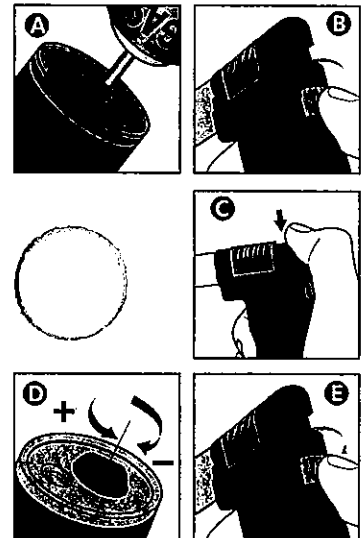

### Warnings:

- Do not touch flame guard while in use or until sufficient time has passed for cooling.
- Do not immerse heated parts or items in water, allow to cool naturally.
- Use only butane gas in the torch. Do not use propane gas or any other types of fluids.
- Do not store in a temperature exceeding 40°C / 104°F.
- Keep away from eyes at all times.
- Keep this unit out of the reach of children.
- The flame of the torch is nearly invisible in bright light or sunlight.
- Make sure the safety lock is positioned at the far right when not in use.

### SPECIFICATIONS:

Length	84mm (3.3 in)
Height (w/o stand)	115mm (4.6 in)
Width	29mm (1.15 in)
Weight (when gas-filled)	125 g
Torch temperature	1300°C (2400°F)
Gas container capacity	20 ml (0.68 oz)
Operating capacity (one gas filling)	30 min. (at max. setting)

### Instructions:

- Prior to initial use, fill torch with butane fuel as described above.
- To fill gas tank, turn unit upside down and firmly push the butane can nozzle into the filling valve (fig. A). The tank should be filled in approximately ten seconds. Please allow a few minutes after filling for the gas to stabilize.
- To ignite the torch:
  - Slide the safety lock to left to release the childproof lock. (fig. B)
  - Push down the igniter button for ignition. (fig. C)
  - The flame can be adjusted by the regulator lever on the bottom of torch. (fig. D)
  - To keep the flame continuously, move the safety lock to the far right (fig. E) for fingers-free operation.
  - Move safety lock back to left to shut off the torch (fig. B).

### Warnings:

This product, when used for soldering and similar applications, produces chemicals known to the State of California to cause cancer and birth defects or other reproductive harm.

Department of Transportation Hazardous Materials Regulations forbid the carriage of butane or other flammable gas products on passenger aircraft. Do not pack this item or any other flammable gas item, in any checked or carry-on baggage.
