

## SDC-S Safety Screw Cam Clamps

Next generation multi-directional clamps featuring innovative new safety features:

- Built in spring for an extra clamping force on items being lifted.
- Visual clamping force indicator - lines align to indicate that the clamp is correctly tightened.

Suitable for lifting, turning over and pulling.

Part No.	Capacity	Clamping Range
SDC-0.5S	0.5 tonne	0-25mm
SDC-1S	1 tonne	0-40mm
SDC-2S	2 tonne	0-40mm
SDC-3.2S	3.2 tonne	0-40mm
